

Simple To Use Operator Handle

Rugged Stainless Steel Chassis

Easy Tank-Filling Access

Over Fill Control Trash Filter

Quick Charge Gel Battery Pack

TWINTEC CABLE SCRUBBER DRIER- TTB 1840

The TwinTec 1840 battery floor care machine has been engineered to substantially reduce size whilst, at the same time, maximise the performance and handling. With the total freedom of 24V battery, cable free, operation, this machine will get into areas and places that other machines simply will not go. In many respects, the 1840 allows hard floor maintenance in areas previously cleaned by mopping systems, but some 30% faster and to an improved standard. With its low noise level and unobtrusive appearance this machine will find itself fully at home in many, if not all, commercial environments be it hospitals, clinics, restaurants, cafeterias, offices, bank and hotel lobbies, etc.

Wherever there's a need for a simple, user friendly, one-pass cleaning machine the TTB1840 will be sure to match, or exceed, your expectations.

HOURLY PERFORMANCE 1600 M²/H

Model No	Brush Motor	Vac Motor	Power	Working Width	Speed	Capacity	Range	Weight	Size
